

EPMS Student-Led Conference Scheduling

EPMS Families:

We are working in partnership with you for your student's success! Eagle Point Middle School will be hosting *Student-Led Conferences* Wednesday, March 18th and Thursday, March 19th . It is an expectation that all students share their conference materials with a parent or guardian at our school. We have arranged a variety of time slots to facilitate this important conference. Please mark your top three choices of conference times. An appointment will be made for you, your student and your Den teacher. We will strive to give you your first choice and then you will be notified of the date and time of the conference.

All teachers will be available for short conferences at the conclusion of each *Student-Led Conference* for those parents/guardians wishing to speak to individual teachers. This time is limited to forty-five minutes before the next set of *Student-Led Conferences* begins.

Your student's Den teacher is their "Home Base" teacher and this teacher is also your point of contact throughout the school year.
